

## **HELLENIC SOCIETY FOR BIOMATERIALS**

Title of the Round Table: **Advanced Aspects of Biomaterials**

Duration: 2 hours (or 1:45) (each speaker will speak about **25 minutes**).

Date: **Monday 12 June 2023 (17.00-19.00)**

Bioceramics, the ideal inorganic biomaterials: chemical composition governs their biomedical performance

Simeon Agathopoulos, Prof. Univ. Ioannina (Gr)

Regenerative Medicine and Tissue Engineering

Maria Chatzinikolaidou, Prof. Univ. Crete and FORTH (Gr)

Drug delivery systems –special cases in the treatment of cancer and neurodegenerative diseases

Demosthenes Fokas, Prof. Univ. Ioannina (Gr)

Antibacterial surfaces of biomaterials

Artemis Stamboulis, Prof. Univ. Birmingham (UK)
